

MAKERS OF OVER  
HALF THE WORLD'S  
TELEPHONES

THE dominant position  
amongst the telephone  
installations of the world is  
held by Western Electric  
Equipment.

## *Western Electric*

### TELEPHONES

comprise over half the  
world's installations. The  
experience and knowledge  
gained in the accomplish-  
ment of this great work  
qualifies us to undertake  
the planning and installing  
of telephone equipment for  
any condition of service,  
with a guarantee of effici-  
ency that is unquestioned.
